What  
are you  
doing  
here?

Excuse

Well,  
nearly  
you  
never  
come

I like  
the dancing  
very  
much  
the  
recently

So I de-  
cided to  
come in  
advance

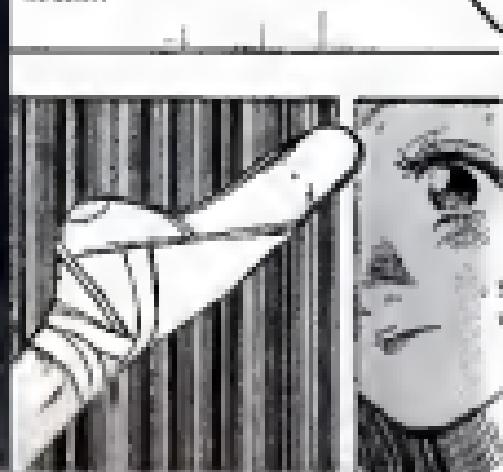

But she  
really wants  
something  
important

And to think  
that when I  
saw this girl  
for the first  
time, I  
thought that  
she had  
talent

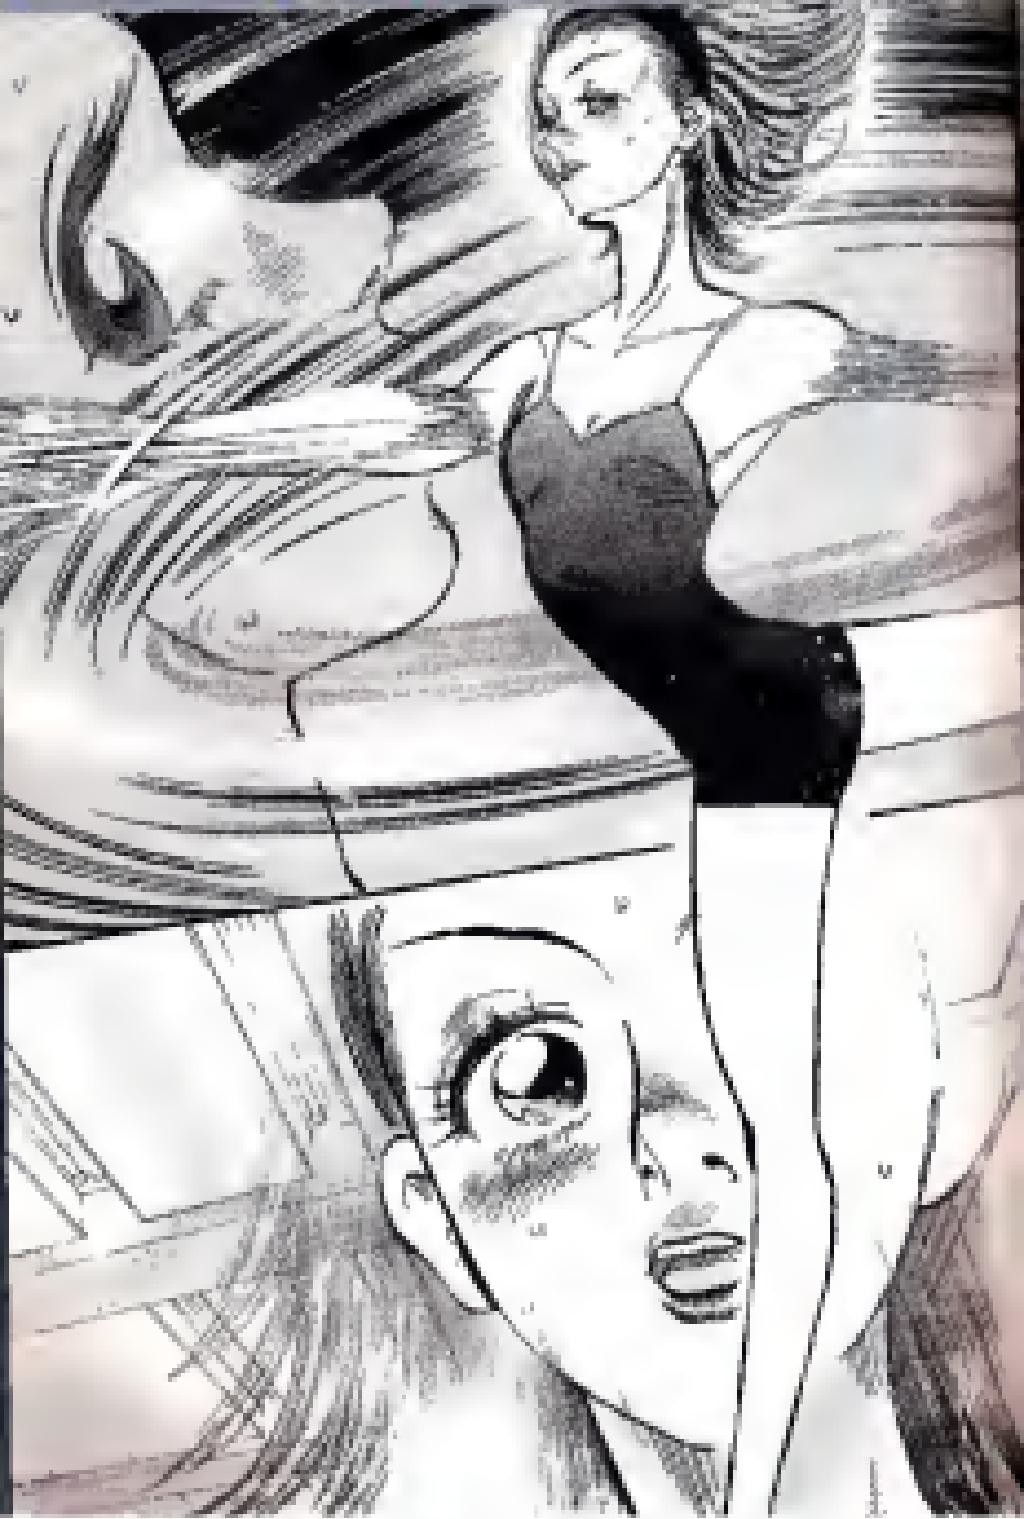

She makes  
no effort

seriously,

This

about  
your  
future

Even though  
I like dancing,  
I know  
that I can't  
dance all  
my life at  
the "Police

If only I

I

Hello, I am segobi. I decided to post the remaining of Subaru's chapter. I am all alone so, it won't quick release, but not long ones too :p Like one chapter a week or more. First I'd like to tell you that I used a 3 years old HP All-in-One printer (Sorry about the blurred part in the middle) to scan these pages and that I am new into cleaning and editing manga. I cleaned it to be readable. For the size of the font I don't know what it will look like since it's my first time, if it's bad I'll change it in the next chapter. So don't expect too much of it. I am sorry in advance for the spelling mistakes and other mistake I would made. Please contact me if you think a translation would be better in another way. I think my English is okay, but I am a canadian living in a French province so ... Well then enjoy Volume Chapter 7.

## Decisive turning point

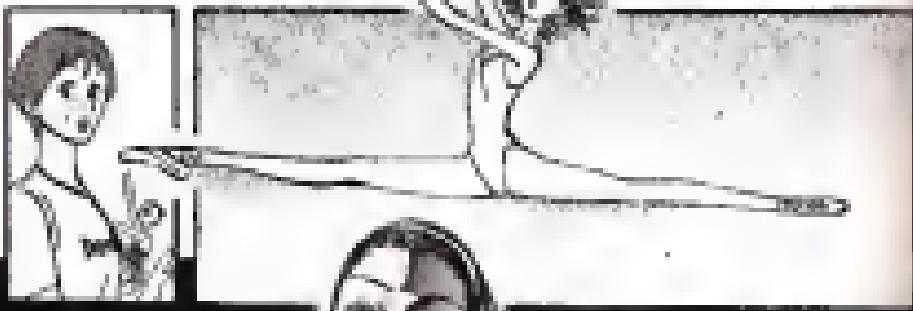

If I want  
to live  
from  
dance

I guess I  
have to  
become  
a pro-  
fe-  
sional  
dancer

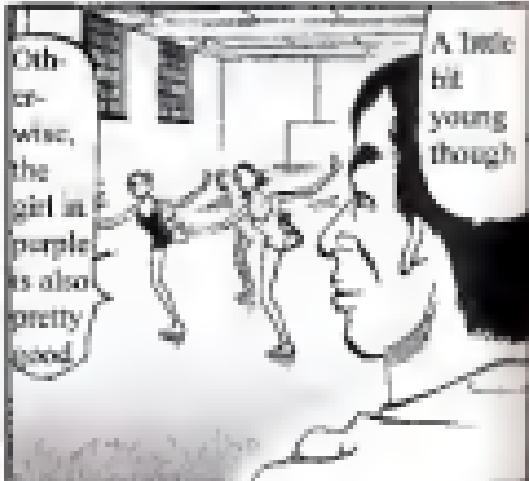

I would  
like to  
dance  
forever!

It's true that she is not bad

It seems that our choreographer, Kurasawa, gives her lessons from time to time. He would like her to be the substitute for the presentee

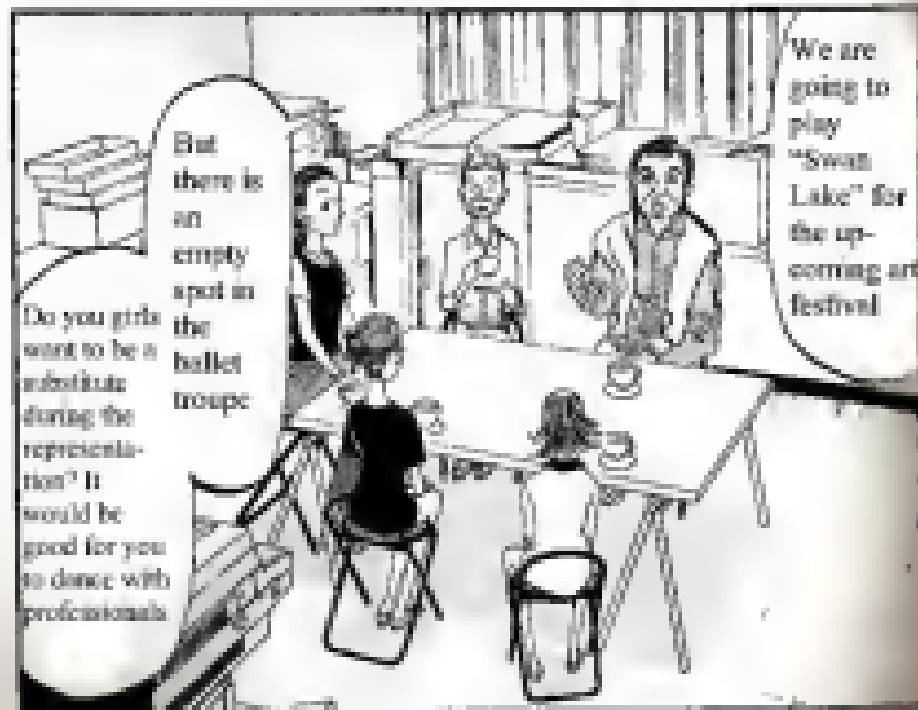

Let's see, your daughter's name is Mana?

She is Subaru Miyamoto. She is the same year as Mana but—

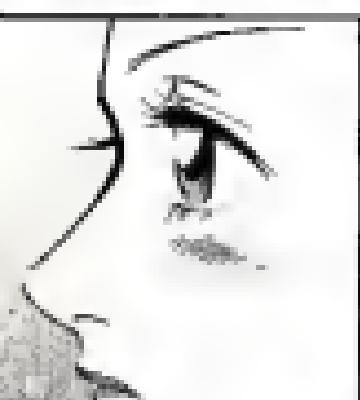

Then, who is the other one?

I was told that you never participated in contests or representation

They  
came  
here es-  
-pecially  
to see  
me, no?

She only  
comes  
here two  
times a  
week, so  
why her?

But  
why

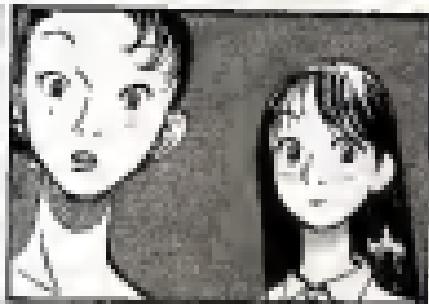

Not  
really.

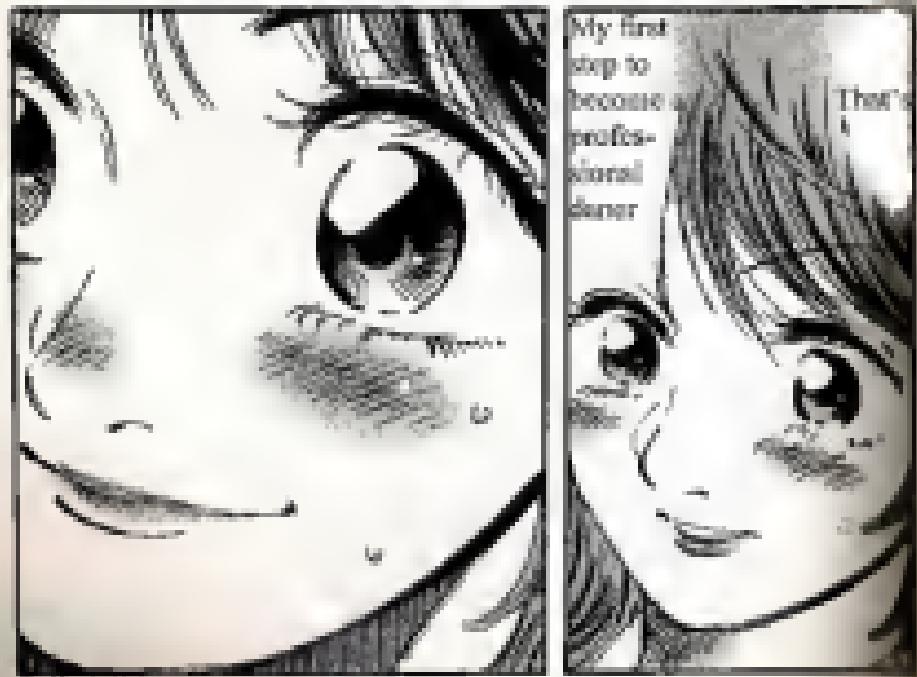

Doesn't  
it make  
you  
happy?

Some-  
thing's  
wrong?

But you  
just told  
them that  
you

it!

## Chapter 13 Professional Dancer

This image is a sample of an original work. We take no responsibility for any copyright infringement of this image. All content is the responsibility of the parties involved in the creation or publishing of this image.

At that moment their dance can make people happy

That's what professional means

They can adapt themselves depending on the environment they are dancing in

You may feel good but you are just an hindrance to the dancers around you

Annoying

Nothing more

There's nothing more annoying for the spectators to watch

But your dance is different

You jump higher, you spin faster, but you end up all alone

You can  
go com-  
plain to  
your  
medio-  
cine  
teacher

could try  
teaching you  
but you  
won't forget  
the way you  
danced for  
years

You can  
go  
back!

Stop! Be  
calm!

W...  
Waaa!

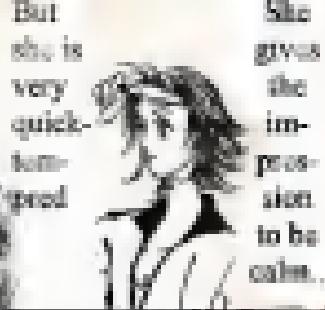

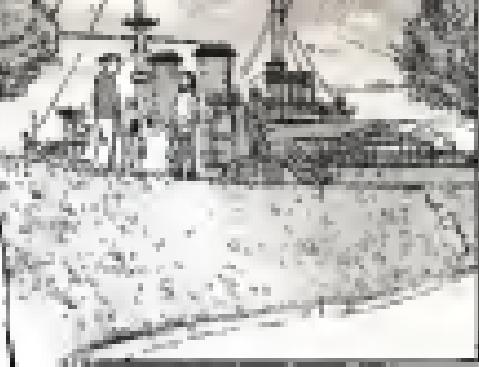

I promise  
that I will  
make you  
toboo-  
sider!

Give me  
one week!

When I danced at the "Palais Garnier" there was no problem either!

When I dance alone, everything is perfectly fine.

But why?

Subaru  
is that  
you?  
What  
are you  
doing  
here?

Subaru

No,  
not  
right  
now

I am  
sorry for  
you

I  
see

Sada, can you tell  
my why I can  
dance with you  
guys at the "Palais  
Garnier" ...

But not  
in the  
ballet  
troupe?

She  
was  
right  
after  
all

In any case,  
don't be too  
sad if it  
doesn't  
work

"Let her  
dance  
freely"

When you  
were  
younger,  
the boss  
used to us

Sad?

But there  
is some-  
thing more  
important  
than that!

It's true that  
if she con-  
tinues to  
dance, one  
day she will  
be obliged  
to adapt her-  
self to others

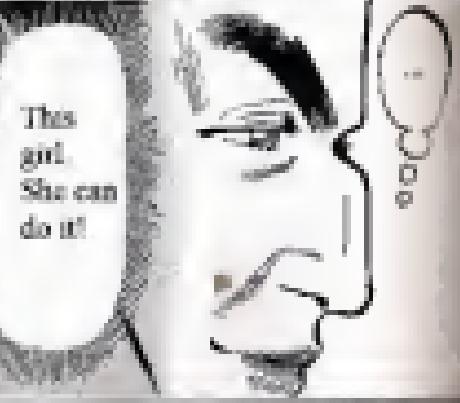

Or even  
150%

She  
always  
have to  
give her  
100%...  
No! 120%.

Never let  
her have the  
habit to  
dance with-  
out every-  
thing she  
has!

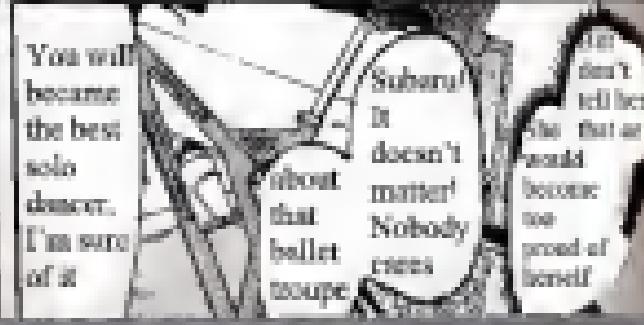

Tatia may be hard on you, she doesn't talk to you well...

She will become an excellent dancer!

This girl. She can do it!

You will become the best solo dancer. I'm sure of it

about that ballet troupe

Subaru! It doesn't matter! Nobody cares

It doesn't tell her she that she would become the proud of herself

## Chapter 14 The ballet troupe's aura

This is the  
Paris  
Opera's  
ballet  
trope, one  
of the most  
renowned in  
the entire  
world

What  
do you  
think?

## CHAPITRE 14 • LAURA DU CORPS DE BALLET

To impress the audience, the entire ballet troupe must form one single body

When we dance in a ballet troupe we can't jump higher than anybody as we won't stand out

So, how can they dance in harmony?

There's not a single dancer watching her surrounding

When a dancer moves, he or she creates an air flow that contains a lot of information

You need to be concentrated to be able to feel it

I call it a "wave" or an "aura"

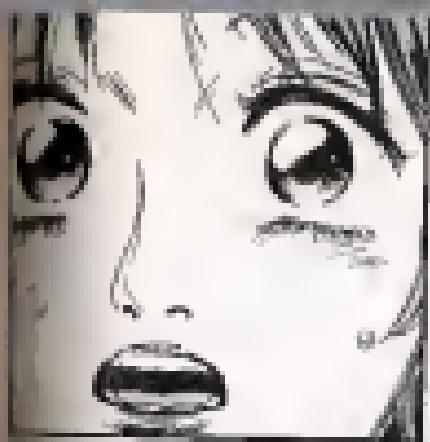

Who jumps, how do they jump and when do they jump?

You have to feel it without using your head or eyes

That's not possible!

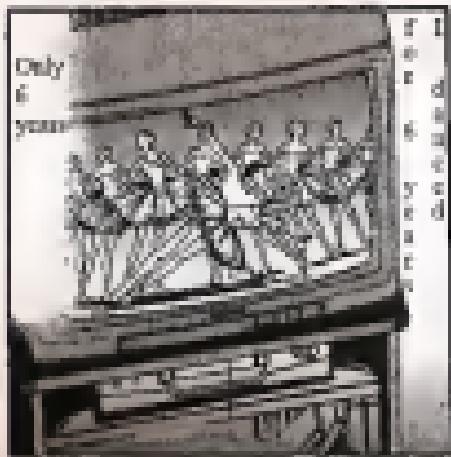

Every ballet  
troupe in the  
world works  
like that

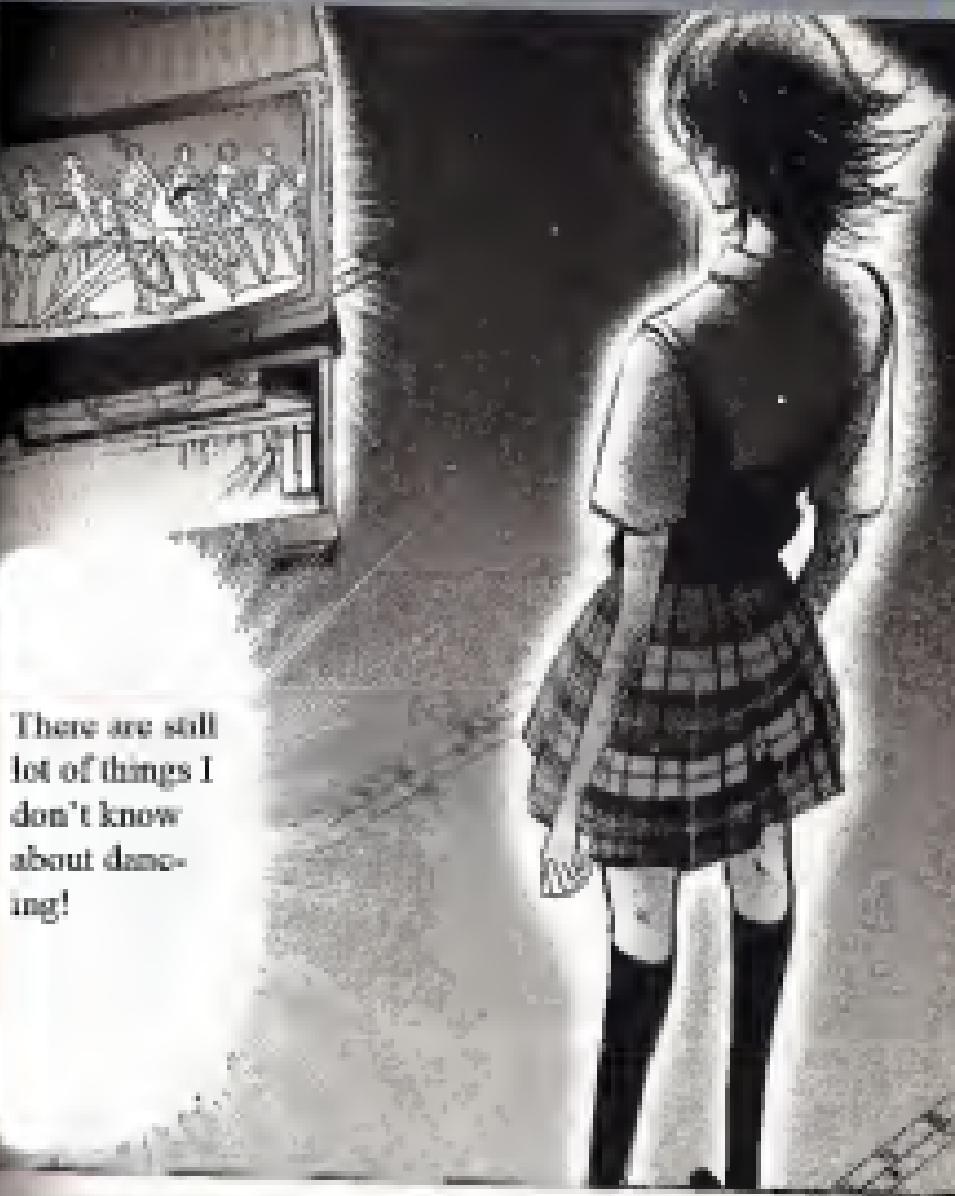

The  
ballet  
troupe

Tanet! I am going to be a professional dancer!

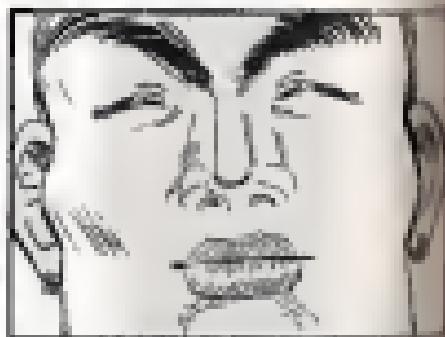

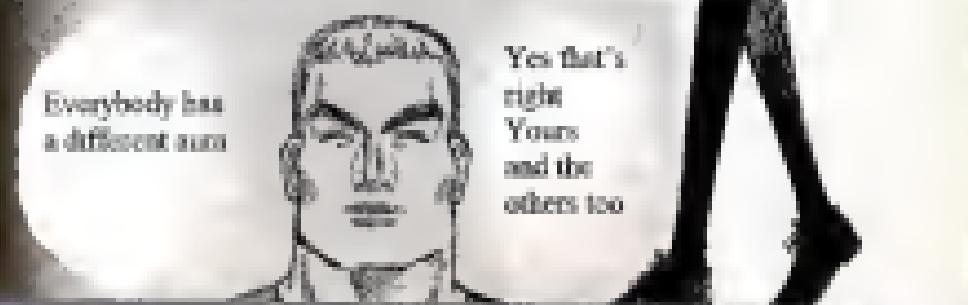

There are still  
lot of things I  
don't know  
about dancing!

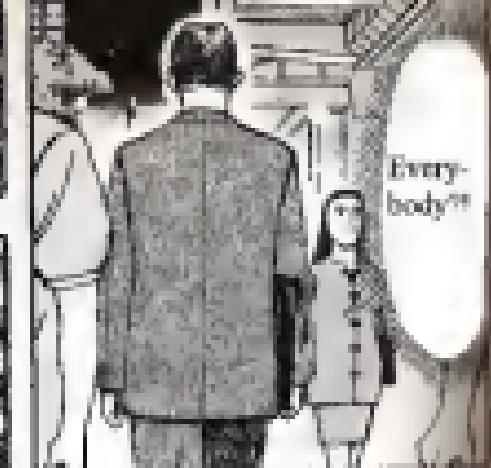

NEVER!

I will succeed  
in joining that  
ballet troupe!

Every-  
body  
smiles...

That  
contains  
so much  
infor-  
mation

What should  
I do knowing  
that?!

From the

I used to  
dance ev-

I really  
suffered

But the  
air and  
the wind  
and the  
feelings  
of  
Kazuma

Maybe  
she is  
sick?

What's  
the

with  
this

She's so

She  
meshes

You  
are true  
swans!

It's  
true  
that  
it's  
more  
beau-  
tiful  
like  
that.  
They  
look  
like  
real  
swans.

But...  
wait!  
It's not  
like  
that at  
all!

I never  
saw a  
Swan.  
Like so  
elegan-  
tive!

Since I  
began  
danc-  
ing,

These girls  
dance with  
grace and  
elegance.

The incar-  
nation of  
beauty

What that  
dancer  
told me  
that day

I will  
never  
forget

Is it even  
possible  
to dance  
this with  
elegance?

Human girls  
were trans-  
formed into  
swans be-  
cause of the  
malediction  
of a demon

It's like she  
reached the  
limit of  
something,  
something  
different!

But  
what's  
this  
thing?

Her  
dance is  
scarily  
opposite  
mine

This  
girl

That  
is

It's like she  
can feel the  
very nature  
of the  
dance!

Hello, I am segobi. I decided to post the remaining of Subaru's chapter. I am all alone so, it won't quick release, but not long ones too :p Like one chapter a week or more. First I'd like to tell you that I used a 3 years old HP All-in-One printer (Sorry about the blurred part in the middle) to scan these pages and that I am new into cleaning and editing manga. I cleaned it to be readable. For the size of the font I don't know what it will look like since it's my first time, if it's bad I'll change it in the next chapter. So don't expect too much of it. Not long ago,

We can't

I love

There are a  
lot of rules  
telling you  
how to  
move and ...

sometimes I  
had enough of  
it during prac-  
tice ...

TATE  
...

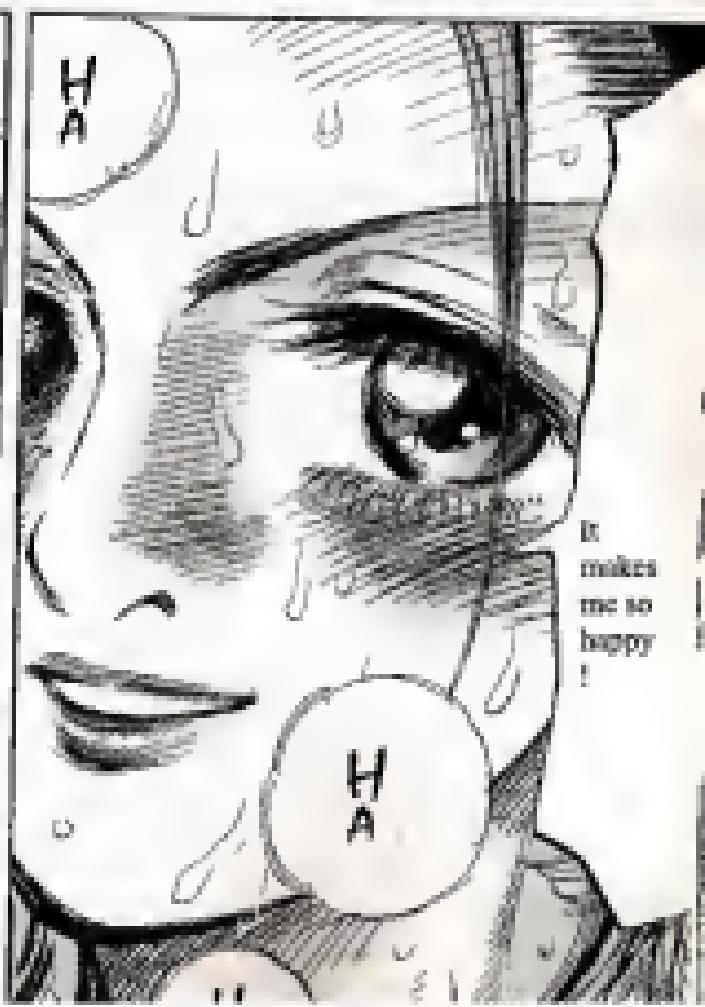

Like  
when I  
danced in  
front of  
Kazuma  
and in fact

But today... I  
danced to the  
fallest forget-  
ting about it

The posi-  
tions, the  
steps... Ev-  
erything  
you taught  
me!

All the  
cells of my  
body were  
focused on  
dancing!

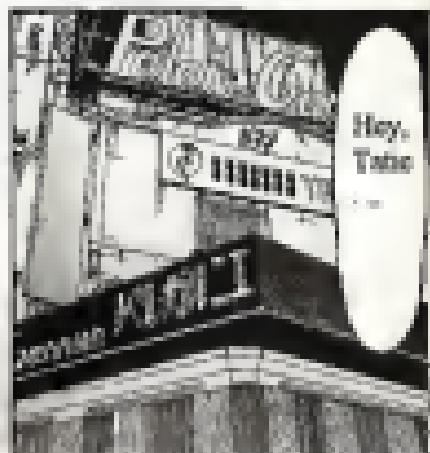

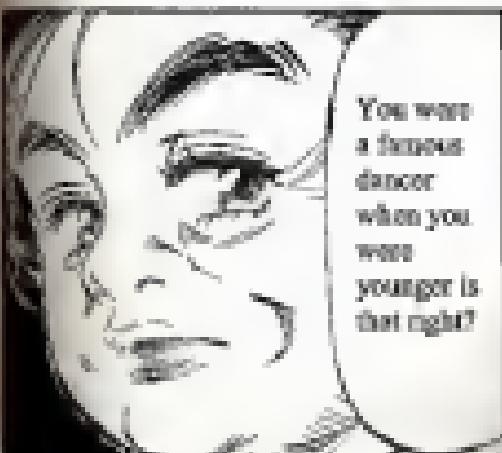

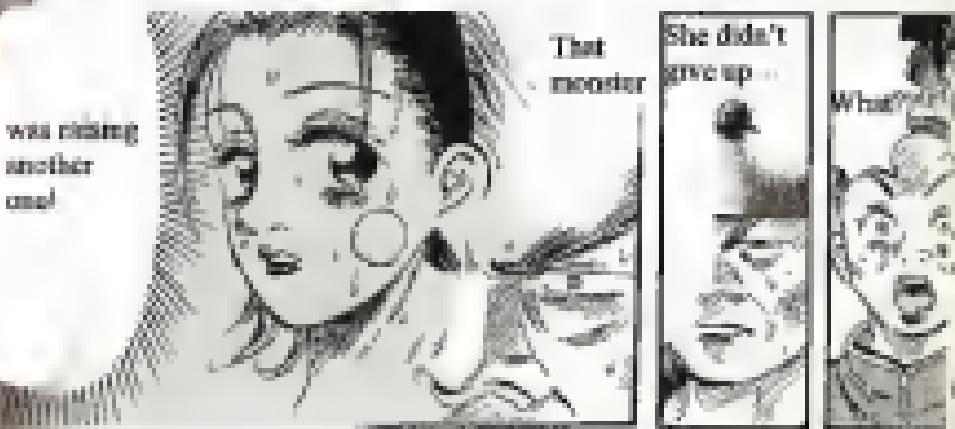

My body  
remem-  
bered  
every-  
thing!

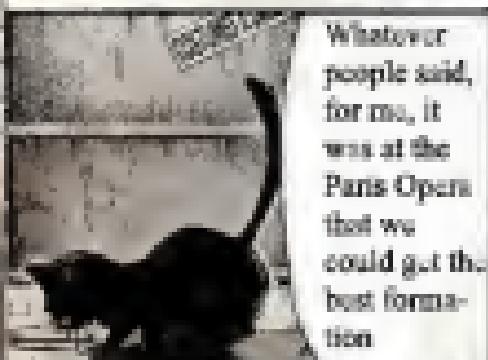

Izumi Hibino  
herself?

It's her that

Subaru Miyamoto!

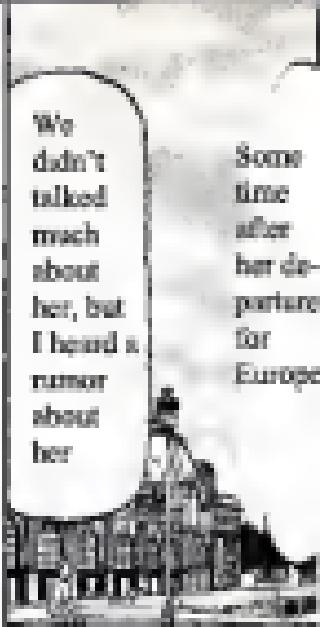

Traditional Japanese dance

One year or so passed, but even so, it's hard to imagine a Japanese person dance at the Paris Opera.

An asian person was allowed to take part of the entrance exam of the Paris Opera's ballet troupe!

Some time after her departure for Europe

I was re-  
jected at the  
physical  
ability test...

Even before  
the perfor-  
mance  
exam...

The  
reason  
why I  
was re-  
jected  
was ...

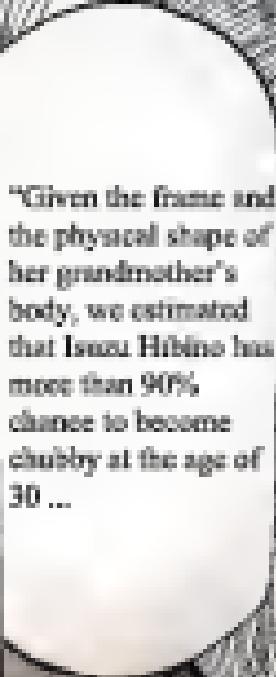

Why  
?!

What  
?!

"Her  
grand  
mother  
was  
chubby  
."

"Given the frame and  
the physical shape of  
her grandmother's  
body, we estimated  
that Isuzu Hibino has  
more than 90%  
chance to become  
chubby at the age of  
30 ...

Two generations before,  
when my  
grandmother  
was born, I  
was destined  
to be rejected  
by the Paris  
Opera!

Could  
you  
imagine  
that?

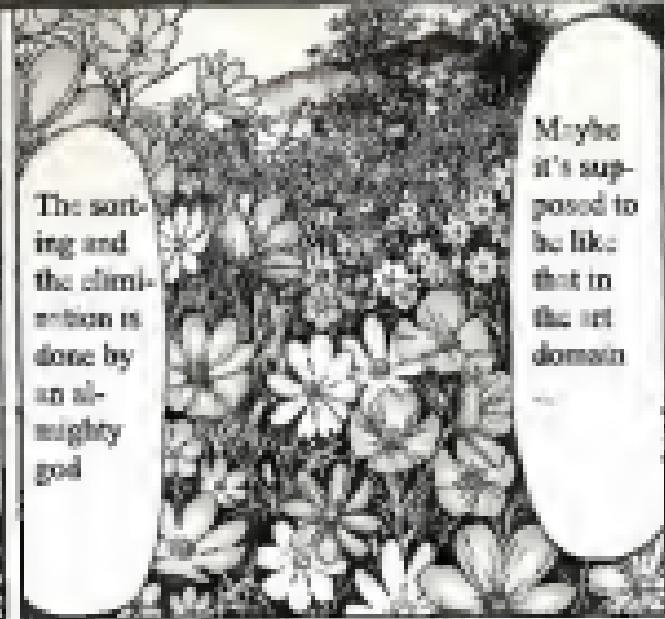

Be-  
cause of  
my

mother!

Like  
we

no-

It is a

don't  
you  
think?

Maybe  
it's sup-

be like

GLORIA

Even better

so

There is one thing that will
